A NEW TROTTER RECORD

Etawah III, a 4-Year-Old, Covered a Mile in 2:04 in Cleveland

Cleveland, July 22.—In a special event this afternoon at the third day's grand circuit races at North Randall, Etawah III, owned by Frank G. Jones of Memphis, Tenn., trotted a mile in 2:04, establishing a world's record for a 4-year trotter of either sex. The old record, 2:05 1/4, was made in 1893 by Directum. Geers drove Etawah and was paced by a runner. In the morning Geers drove Anvil, another Jones horse, a mile in 2:02 1/4, the fastest mile trotted this season. Anvil also became the fastest record trotter in training.

Geers also drove Napoleon Direct to victory in the best race of the meet so far, the last event of the day, when six heats were required to pick the winner in the 212 pacing class. After Shadeline had captured the first, Napoleon Direct took the second and third. Then Coastless Mobel came to the front and won the next two heats. Napoleon Direct, however, outsprinted Coastless Mobel in a thrilling brush down the stretch and took the last heat and the race.
